

# Internships in Japan

Many sectors : industrial, language teaching, media, architecture, translation, NGO, tourism and social work and many more...

## **Trial Internship\*** **Duration: 1 day**

In the Trial Internship you will visit a Japanese company and get a small taste of working life in Japan. Furthermore you can test the Japanese you learned. The Trial Internship is an interesting and surely extraordinary experience. If you like the Trial Internship, you will have the opportunity to apply for a Short- or Long-term Internship at the same company.

**Commission fee:**  
**One - time ¥ 2.500**

## **Short-term Internship** **Duration: 1 - 4 weeks**

In the Short-term Internship you will learn about the basic structures of a Japanese company. During this Internship you will socialize with your co-workers and become acquainted with Japanese corporate culture. The Short-term Internship is especially suitable for students with little time who want to gain special work experience and improve their Japanese further. It is possible to extend the Short-term Internship.

**Commission fee:**  
**¥ 16.000 per week**

## **Long-term Internship** **Duration: 1 - 6 months**

You will be fully integrated in the Japanese internship company. Through this you will achieve a broad knowledge about the structure of Japanese companies and experience Japan's culture and society in the most intensive way. A Long-term Internship is the best opportunity to progress your Japanese skill to a high level and to demonstrate your abilities in a foreign environment.

**Commission fee:**  
**One - time ¥ 63.000**

\*Notice: The Trial Internship is only available for students of **ASAHI NIHONGO**.
